

Integrium, LLC Executives to Attend RESI Conference, San Francisco

By: Emily MacHale

Tustin, CA – Integrium, LLC Executives will be in San Francisco during the Redefining Early Stage Investments (RESI) Conference on January 9th, 2018 at Marines’ Memorial Club and Hotel. Integrium key Executives are eager to attend the conference to connect with over 1,000 industry folks in therapeutic, diagnostic, medical device, and investor companies around the globe.

Looking to meet with various types of organizations, Integrium typically engages in collaboration with startups and investors to discuss new business ventures and ways to work in partnerships. RESI attendees are encouraged to connect with Integrium for a brief introduction meeting during the conference and can request meeting time-slots by contacting Mike Loftus, Executive Director of Business Development to schedule: Mike.Loftus@integrium.com.
