

**MSPMentor.net names We Are IT
To the MSPmentor 100 Small Business Edition**

**Annual Report Identifies
World's Top 100 Managed Service Providers (MSPs)**

April 6, 2015: We Are IT has been named to the annual MSPmentor 100 Small Business Edition, a distinguished list and report identifying the top 100 managed service providers (MSPs) with 10 or fewer employees in the world.

"We are pleased to have been included in this distinguished group for a third consecutive year," said Ed VanBuskirk, President/CEO, We Are IT. "Moving up to #46 this year and Being in the Top 100 MSP's worldwide is an amazing tribute to our team and culture."

The MSPmentor 100 report is based on data from MSPmentor's global online survey, conducted October-December 2014. The MSPmentor 501 report recognizes top managed service providers based on a range of metrics, including annual managed services revenue growth, revenue per employee, managed services offered and customer devices managed.

"MSPmentor congratulates We Are IT on this unique honor," said Marcia Parker, Executive Director, Penton Technology. "Qualifying for our MSPmentor 100 Small Business Edition puts We Are IT in rare company."

We Are IT (www.We-Are-IT.com) is a network management and systems technology integrator providing end-to-end solutions that ensure business integrity for small-medium and enterprise-level clients. From design through deployment, We Are IT is an advocate for our clients to strategically align their business and IT objectives. We architect, implement and manage IT solutions spanning computing infrastructure, enterprise management, VoIP and security. The company is headquartered in Kansas City, MO.
