Orthopaedic Presentation Series

Wednesday, January 24, 2018

6:30 – 8:00pm

(Starting with a light reception)

Diagnoses, Management & Treatment of “Rotator Cuff Injuries”

Dr. Matthew Bessette

Rochester

Community Orthopaedic
20 Hagen Drive, Suite #110
Rochester, New York 14625

Learn about one of the most common sources of shoulder pain. From impingement to full-thickness tears, we will discuss the underlying cause of shoulder symptoms and various treatment options to return patients to work, sports, and life.

Please come and meet **Dr. Matthew Bessette**, GVPT staff and JCC personal trainers in their first Orthopaedic Series. Get a tour of the JCC facilities and the GVPT physical therapy clinic.

Location: Louis S. Wolk JCC of Greater Rochester

1200 Edgewood Avenue

Registration required. Please call GVPT (585) 671-0850 today.
