

TopLine Results Corporation is the premier Act! hosting and consulting company in North America. Our staff of experienced and certified Act! professionals across three states ensures your company the best and most reliable Act! experience available anywhere. With amazingly affordable hosting plans with no software investment costs — we have a plan to meet every company's budget and wish list! TopLine hosting takes the worry and stress out of your CRM system, with a secure and flexible datacenter employing redundant power supplies, dual HVAC and advanced fire detection and prevention systems. You no longer need to maintain expensive servers and manage software patches and upgrades. TopLine's team of experts takes the guesswork out of setting up and maintaining Act!, so you can concentrate on increasing your sales, managing your customers and growing your business!
