e850 SECURITY

» Secure Medication Storage

The e850 Med wallstation has an intelligent electronic locking system that allows the clinicians to customize its settings to optimize their existing med-dispensing workflow.

» Effortless Security

The e850 Med wall station detects when its operator walks away, automatically turning off the monitor, closing and locking the work surface providing effortless security while promoting HIPAA compliance.

e850 WORKSURFACE

» Work Surface w/ Slide Out Keyboard Tray

The large 25" X 9.25" work surface and pull out keyboard tray gives you the added ability for med prep, document placement or just setting down your morning coffee.

» Infection Controlled

Non-porous smooth and cleanable surfaces.

e850 FEATURES

» Hassle Free Cable Management

Simple internal cable management system concealing cords and wires.

» Power Efficiency

Monitor stays off until the work surface opens saving you money when the unit is not in use.

» Made for Large Screens

Fits up to 24" wide flat HD monitors for EMR's that need additional screen real estate.

» Universal CPU Storage

CPU compartment is designed to fit multiple configurations: accommodates most small and ultra small form factor CPUs.

» Optional: Push Button Height Adjustment

At the push-of-a-button, the e850 can be raised or lowered, giving caregivers the needed flexibility in comfort and usability.

» Optional: Security Upgrades Available

- Keyless Electronic PIN Code Entry
- Bio-Metric Reader
- Magnetic Card Reader
- Proximity Badge

» Optional: Finish Choices

We offer six standard finishes to match typical preexisting cabinet work and counter tops. We also have a limitless offering of premium finishes from Wilsonart® to Uniboard® via special order.

e850 MEDICATION CABINET

» Medication Cabinet Detail
