

Powered Mobile Workstation (PMW) for Warehouses

The Powered Mobile Workstation allows warehouse staff to take their “office,” wherever it is needed, to complete all tasks.

Definitive Technology Group’s Powered Mobile Workstation for Warehouses was developed at the request of customers to meet the shortcomings of other available options.

The Powered Mobile Workstation allows warehouse staff to take their “office,” wherever it is needed, to complete all tasks, including: Inventory management, process control, on-demand label printing, product testing, order picking, cross-docking, weighing, scanning, and more. Everything required to do the job is right there.

Features of Powered Mobile Workstation (PMW) for Warehouses

- **Integrated Power System Options** – If you run 24x7, shouldn’t your carts? Select from multiple industry-leading rechargeable power systems to ensure that the performance you need matches the facility’s operational workflow and budget.
 - o Hot-Swappable batteries for 100% uptime and availability
 - o Fixed Power Systems for high capacity and runtime
 - o High-Performance batteries that last many years, not months!
- **Mobility and Ergonomically Friendly** – Standard 24x29” footprint (compact 18x29” narrow footprint available), ergonomic handle, pull-out keyboard caddy with slide-out mouse shelf, and EZ-glide swivel locking casters.
- **Workspace Friendly** – Easily adjustable shelves include built-in cup holders for pens, markers and other small tools.
- **VESA Monitor Mount** – Holds display up to 24” monitor and provides tilt, swivel, and height adjustability.
- **Modular Design** – Your Cart, Your Way! Modular design and wide variety of optional accessories makes it easy to get the exact cart you need to meet your specific application requirements.
- **Integrated Cable Management** – Wires are hidden and out of the way, avoiding damage.
- **Secure Electronics** – A locking technology compartment to house the computer, power system, and other electronics.
- **5 Year Product and Power System Warranty**
