

Penton Technology Names Discovery Information Technologies, Inc. to the MSPmentor 501 Global Edition

8th Annual Report Identifies World's Top 501 Managed Service Providers (MSPs)

March 26, 2015: [Discovery Information Technologies, Inc.](#) has appeared on Penton Technology's eighth-annual [MSPmentor 501 Global Edition](#), a distinguished list and report identifying the world's top 501 managed service providers (MSPs). The complete 501 list is currently available on the [MSPmentor](#). Additional lists include:

- The top ranked MSPs in North America
- The top MSPs in Europe, Middle East and Africa
- The top MSPs in Asia, Australia and New Zealand
- The top Small Business MSP list comprised of the top companies in our annual survey with 10 or fewer employees.

"We are proud to have made this prestigious list for the third year in a row, and for having moved up to the 130th position for 2016! This achievement would not have been possible without all the hard work and dedication our exemplary team, as well as the trust and partnership of our highly valued clients" said Adam A. Fadhli, President, Discovery Information Technologies, Inc.

Each year, *MSPmentor* gathers information for its annual rankings through the participation of managed service providers and IT service providers in our annual survey. The survey was conducted from December 2014 through January 2015. Rankings are based Penton Technology's unique criteria for MSPs such as annual recurring revenues, total revenues and more.

"We want to congratulate [Discovery Information Technologies, Inc.](#) and look forward to covering their growth strategies in the year ahead," said Marcia Parker, Executive Director, Penton Technology Group.

This year the top *MSPmentor 501* companies recorded higher recurring revenues than ever before. Combined, the total annual recurring revenues for all of *MSPmentor 501* 2015 companies reached a record high of \$3.95 billion in 2014, up 26.5% year over year.

"Thank you to all the companies who participated in this year's MSPmentor 501 survey, and congratulations to the companies that ranked on our 501 list, our regional lists and our Small Business list," said Jessica Davis, Editor in Chief of MSPmentor and Executive Editor at Penton Technology. "Your participation enables us to continue to provide you with high quality information about the most successful business models, pricing, vertical markets and other approaches to running your businesses in 2015 and beyond."

MSPmentor, produced by Penton Technology, is the ultimate guide to managed services. MSPmentor features the industry's top-ranked blog, research, Channel Expert Hour Webcasts and FastChat videos. It is the number one online media destination for managed service providers in the world.

About [Discovery Information Technologies, Inc.](#)

Discovery Information Technologies was founded in 1988 to help small businesses get the most out of their technology. Over the years we've helped many small businesses relieve their technology worries so that they can concentrate on growing their companies and realizing their goals. Today, our full service managed services program provides the ultimate in technology support for our customers.

Our success is built on a foundation of shared values - quality service, strong relationships, mutual trust, and integrity.

For you as a client, "We Make I.T. Happen" by managing your business I.T. environment, allowing you the opportunity to minimize downtime, decrease risk, reduce cost, improve employee productivity, and provide peace of mind with our business solutions.

Capitalizing on our experience and extensive resources, Discovery I.T. can handle ANYTHING your network can throw at us!
