The **Bachelor of Biomedicine** is the new name for the Bachelor of Biomedical Science course, commencing at La Trobe University in 2018.

It has a new stream in Human Physiology and Anatomy. This degree, postgraduate Allied Health courses such as physiotherapy, dietetics, prosthetics and orthotics, orthoptics and speech pathology.

Health Sciences

New Melbourne majors in sports counselling and athlete welfare, and in health promotion; new Bendigo majors are public health, health promotion, sports counselling and athlete welfare, rehabilitation counselling.

REMINDER – EARLY ACHIEVERS PROGRAM (EAP) AT ACU

Have you been a regular volunteer, gaining leadership experience? The volunteering might be at school, a community organisation, or a cultural or religious group. If so, you could be eligible for the Early Achievers' Program entry into an undergraduate degree. If successful, you'll receive an offer as early as August. For most degrees the minimum ATAR for an EAP place is 58.50. Law and physiotherapy require a minimum of 70 while Occupational Therapy, paramedicine and speech pathology require 65. Applications are now open, and close on 17 July.

See: www.acu.edu.au/eap

 **THE NEW BACHELOR OF PHYSIOTHERAPY** at ACU's Ballarat Campus welcomed its first cohort of students in Semester 1, 2017. NOTE: Other universities offering physiotherapy are Charles Sturt at Albury-Wodonga, La Trobe, Melbourne and Monash.

ACU will commence its **BACHELOR OF NUTRITION SCIENCE** in 2018 at its Melbourne campus. Nutritionists have a key role in community and public health, and they can offer nutrition advice to improve the wellbeing of individuals, communities, and populations.

THE UNIVERSITY OF
MELBOURNE
