**Ellicott City, MD – December 18, 2013** – XPERTECHS, a leading IT Managed Services and Cloud Integration company, announced today that it has been recognized as one of the 50 fastest growing companies in the greater Baltimore area for the year of 2013, by the Baltimore Business Journal.

Each December, the Baltimore Business Journal compiles a list of the fastest-growing Baltimore area businesses of the year. The list surveyed over 1,200 companies in the region and examined their revenue growth from 2011 to 2012. During that time-span, XPERTECHS increased its yearly revenue by over 26%, which landed them at #45 on the 2013 list. The XPERTECHS team is excited to receive the honor.

“XPERTECHS is honored to receive mention in this esteemed category. It has been a great year for our business, and we couldn’t have done it without the help and support of both our employees and clients!” said Michael Mellott, President of XPERTECHS.
