FOR IMMEDIATE RELEASE:

XPERTECHS Named to the MSPmentor 501
For A Second Straight Year

Seventh Annual Report Identifies World's Top 501 Managed Service Providers (MSPs)

Ellicott City, Maryland – April 7, 2015 – XPERTECHS has appeared on Penton Technology's eighth-annual MSPmentor 501 Global Edition, a distinguished list and report identifying the world's top 501 managed service providers (MSPs).

"XPERTECHS is honored to be once again included in this prestigious group. We are proud of the hard work and growth that our business has experienced over the last year, and have plans in place to build upon that growth exponentially in the near future." said Michael Mellott, President at XPERTECHS.

Each year, *MSPmentor* gathers information for its annual rankings through the participation of managed service providers and IT service providers in our annual survey. The survey was conducted from December 2014 through January 2015. Rankings are based Penton Technology's unique criteria for MSPs such as annual recurring revenues, total revenues and more.

"We want to congratulate XPERTECHS and look forward to covering their growth strategies in the year ahead," said Marcia Parker, Executive Director, Penton Technology Group.

This year the top *MSPmentor 501* companies recorded higher recurring revenues than ever before. Combined, the total annual recurring revenues for all of *MSPmentor 501* 2015 companies reached a record high of $3.95 billion in 2014, up 26.5% year over year.

MSPmentor, produced by Penton Technology, is the ultimate guide to managed services. MSPmentor features the industry's top-ranked blog, research, Channel Expert Hour Webcasts and FastChat videos. It is the number one online media destination for managed service providers in the world.
