FOR IMMEDIATE RELEASE:

XPERTECHS Named One of the Top-Performing SMB Channel Partners In the U.S. for a Third Straight Year

Ellicott City, MD, June 26, 2014 – MIT Group, dba XPERTECHS, today announced it was named to the Ingram Micro 2014 SMB 500. The annual list recognizes the top 500 fastest-growing Ingram Micro U.S. channel partners serving the small and midsize business (SMB) market. Ranked at number 129, XPERTECHS expanded its business with Ingram Micro Inc. (NYSE: IM), the world's largest technology distributor, by more than 66% percent in the past three years.

Ingram Micro's annual SMB 500 list is developed in close collaboration with channel research services firm The 2112 Group, Ingram Micro's Business Intelligence team and U.S. SMB Business Unit. Criteria for selection to the list includes size, overall technology category revenue growth and innovation across SMB engagements.

"We are extremely honored and pleased to have made the SMB 500 list for a third consecutive year," said Michael Mellott, President of XPERTECHS. "Being recognized on this list, again, demonstrates XPERTECHS' continued success and growth throughout the Baltimore/Washington Corridor, and in the managed services industry."

"The Ingram Micro SMB 500 is representative of solution providers who are focused on business excellence and recognize the value in teaming with Ingram Micro to deliver a superior customer experience and grow their business faster," says Jamie Ferullo, director of SMB sales, Ingram Micro U.S. "We congratulate this year's SMB 500 and applaud their success."
