FOR IMMEDIATE RELEASE:

XPERTECHS Celebrates 30 Years of Business Excellence

Ellicott City, Maryland – February 27, 2018 – XPERTECHS, a leading managed IT services and Cloud solutions firm based out of Ellicott City, will be celebrating 30 years of business in March of this year.

According to Michael Mellott, Owner and President of XPERTECHS, "As I look back over the past 30 years, I am amazed at the number of people that I have been privileged to meet and work with during this time-span. Our company has truly been blessed with great clients, supportive vendors, and outstanding employees. In the technology field, change occurs almost on a daily basis and trying to stay abreast of the meaningful advances is a tremendous task. Our staff has been up to the challenge in finding new products and solutions that will provide the best competitive advantages and ROI to our clients."

Along with celebrating its' 30th year in business, XPERTECHS also was named to both the CRN MSP 500 and the CRN Pioneer MSP 250. Awards that are given to the top managed IT service providers in North America, each year.

About XPERTECHS
