The noise level in the service team work environment is usually moderate. Travel to and from customer sites is common. Each customer's work environment varies based on the type of business they operate.

Intent and Function of Job Descriptions

Job descriptions assist our company in making certain our hiring process is fairly administered and qualified employees are selected. We view job descriptions as essential to our performance appraisal system and related promotion, transfer, layoff, and termination decisions. Well-written and maintained job descriptions are also an integral part of our compensation system.

All job descriptions are reviewed to ensure only essential functions and basic duties have been included. Requirements, skills, and abilities included have been determined to be the minimal standards necessary to successfully perform the job whereas peripheral activities that are only incidentally related to the job have been excluded.

In no instance should the requirement, skills, and abilities be interpreted as all-inclusive.

Supervisors may assign additional appropriate activities and requirements. It is possible requirements may be modified to reasonably accommodate disabled individuals in accordance with the Americans with Disabilities Act. At no time will accommodations be purposefully made which may pose serious health or safety risks to the employee or others, or which impose undue hardships on our company.

Job descriptions are not intended as and do not create employment contracts. Our company is an at-will employer. At any time employees can be terminated for any reason not prohibited by law.
