

Taylor College
2017 – 2018 Catalog, revision date November 8, 2017
Addenda

Addendum I – effective January 2, 2018, the following Course Descriptions have changed (p. 56)

PTA 1400 Pharmacology (Semester 4) 2 Credits

This course covers the basics of drug action as it relates to physical therapy. Drugs used in the treatment of muscle spasms and spasticity, cardiac drugs, centrally acting drugs, psychological medications, and drugs used in the treatment of pain and inflammation are covered. Interactions between rehabilitation and medications that may influence the provision of physical therapy are identified. Rehabilitation concerns in pharmacology for the physical therapist assistant are discussed. Prerequisites Semester 1, Semester 2 and Semester 3 & Concurrent with: PTA 1410 PTA 1411, PTA 1420, PTA 1421 & PTA 1450
Lecture Hours: 30

PTA 1410 Concepts in Physical Therapy I (Semester 4) 2 Credits

In this course, students will incorporate the knowledge and skills gained from previous courses and apply them to the specialty areas of physical therapy practice. The areas include woman's health, oncology and hematological disorders, chronic pain and stress, connective and periarticular tissue disorders, musculoskeletal dysfunction of the head and face, including temporal mandibular joint (TMJ) disorders, incontinence rehabilitation, mastectomy, and lymphedema management. This course will also explore pediatric and geriatric considerations and the psychological aspects of rehabilitation, as well as health and wellness. Prerequisites Semester 1, Semester 2 and Semester 3 & Concurrent with: PTA 1400 PTA 1411, PTA 1420, PTA 1421 & PTA 1450
Lecture Hours: 30

PTA 1411 Concepts in Physical Therapy I Lab (Semester 4) 1 Credits

In this laboratory course, students will acquire skills based on the knowledge obtained in the concurrent didactic course and from previous courses. The course focuses on the techniques used in specialty areas of physical therapy practice, including woman's health, oncology and hematological disorders, chronic pain and stress, connective and periarticular tissue disorders, musculoskeletal dysfunction of the head and face, including temporal mandibular joint (TMJ) disorders, incontinence rehab, mastectomy, and lymphedema management, as well as health and wellness. Prerequisites Semester 1, Semester 2, and Semester 3 & Concurrent with: PTA 1400 PTA 1410, PTA 1420, PTA 1421 & PTA 1450
Lab Hours: 30

Addendum II – effective January 2, 2018, the following Course Code has been corrected (p. 32)

~~NUR2751C~~ Adult Health Nursing II to NUR2750C Adult Health Nursing II

Addendum III – effective January 2, 2018, the following replaces the statement on the Professional Nursing program breakdown (p. 37)

Effective 09/04/2017, the Professional Nursing program courses were modified, see page 32 for current program. For nursing course descriptions listed on this page refer to the Taylor College Catalog 2016 – 2017 at: <https://www.taylorcollege.edu/student-catalog/>

Addendum IV, Effective January 1, the following replaces the Calculation for tuition charge for semester of payment period (p. 39)

Calculation for tuition charged for semester or payment period

Cancellation or withdrawal after attendance has begun, through 20% completion of the semester or payment period, will result in a Pro Rata refund of tuition.

Cancellation after completing more than 20% of the semester or payment period will result in no refund.

Addendum V, Effective January 8, 2018, the following statement will follow Tuition and Fees (p. 38)

Taylor College reserves the right to alter tuition prices at any time.

Addendum VI, Effective January 8, 2018, the following statement will be added to Tuition and Fees (p. 39)

There will be a three percent tuition increase for all programs annually each summer term.

Addendum VII, Effective January 8, 2018, the following replaces Reinstatement after 180 Days to Re-enrollment (p. 47)

Re-enrollment

Students who have been terminated or withdrew from school and re-enroll (if determined eligible), will pay an application fee and will be charged for contracted hours at the current tuition rate. All re-enrolling students will be required to re-apply according to the Admissions Requirement and will be evaluated by the Admissions Committee for placement.

Addendum VIII, Effective January 8, 2018, the following replaces Interruptions, Course Incompletes, Withdrawals (p. 47)

Interruptions, Course Incompletes, Withdrawals

Each attempt at a course for completion will count towards the maximum number of attempted credit hours allowed for a program of study. All recorded grades of Failing will always appear on a student's record regardless of a subsequent repeat of the course. The Cumulative Grade Point Average, CGPA, will be replaced with grades attained after repeating the specific classes/ courses. Students can attempt a course for credit twice without appeal. Students that fail to earn a passing grade after two [2] attempts for any one course or fail to earn a passing grade for any two courses will be dropped from their academic study and must request consideration for Readmission.

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. A student, who chooses to transfer from one program to another, will have only the grades and credits that apply to the new program applied to the student's Cumulative Grade Point Average (CGPA).

By the approval of the Program Director and Academic Dean an incomplete grade (I) may be issued at the end of the grading period for a course. Approval will be considered only if the student has completed 75% of the coursework and the circumstances that have compelled the student to request the *Incomplete* must be exceptional, such as illness, natural disaster, or some other emergency, beyond the student's control. The student has two weeks from the time the grade is issued to resolve the incomplete. If after two weeks there is not a satisfactory resolution to the incomplete grade the grade will be updated to a F – failure and the student will be required to repeat the course if approved by the Program Director and Academic Dean.

Addendum IX, Effective January 9, 2018, the following replaces the transfer credit policy (p. 15-16)

Transferring in Credits

A student who has earned credits and wishes to have these credits transferred into Taylor College or have credits from a program transferred to another program within Taylor College must meet the criteria below. Taylor College reserves the right to accept or deny transferring of credit.

The School will count all transfer hours that apply toward the student's current program in determining Satisfactory Academic Progress. All transfer hours will be counted as both hours attempted and hours completed. The grade TR will be entered for all transfer credits and will not be reflected in the Cumulative Grade Point Average, CGPA. Only grades earned at Taylor College will be calculated for CGPA.

- Students requesting transfer of credits must submit official transcript(s) from all institutions attended to the Admissions Department for review at least **60 days** prior to the start of the program.
- NO transfer credits will be awarded during active enrollment.
- Students wishing to repeat a course that has been qualified to transfer to Taylor College must complete a Transfer Waiver Form no later than 30 days prior to the start date of the course.
- Transferring of credits must have been earned from an accredited institution recognized by the United States Department of Education and the Council on Higher Education Accreditation (CHEA), or recognized by the American Council on Education (ACE).
- No more than **50%** of any program may be transferred into Taylor College.
- Any student that has completed general education courses can apply to transfer in the courses on a course by course basis. Students must have earned a "C" or higher in the course for it to be considered for transfer of credit. General education courses will be considered if they meet the areas in Mathematics, Social Science, and Communication and There is no age limit applied to these General Education courses.
- Foundation Courses that are science courses, Human Anatomy and Physiology I and II, and Introduction to Microbiology cannot be any older than 3 years and must have a B (80%) grade to transfer.
- Any humanities courses must be 100% equivalent to the course credit and course description for the following courses:

PHI2601 Critical Thinking
HUM2472 Ethics
- There will be no transfer of subject area, humanities, in lieu of Critical Thinking or Ethics. Taylor College will not accept any core nursing or PTA program courses.

Taylor College recognizes the following college equivalencies:

- CLEP examinations administered by the College Board with a score of 50 (equivalent to a "C" grade) on an appropriated College-Level Examination Program, CLEP

Examinations for any Nursing or Physical Therapist Assistant core courses will **NOT** be accepted.

- Advanced Placement (AP) examinations administered by The College Board; A score of 3 or higher is required. Applicable to General Education coursework only, i.e. English, Mathematics or Social Studies. Official transcripts must be received from Advance Placement.
- Advanced International Certificate of Education (AICE) examinations administered by Cambridge University. A score of A-E is required. Applicable to General Education coursework only.
- International Baccalaureate (IB); a score of 4 or higher is required. (Applicable to General Education coursework only.)
- Credit for successful completion of competency courses that have been approved by the American Council on Education (ACE). Does not include any core program courses.
- College credit for military service may be awarded upon review of a military transcript. Information on how to order military transcript can be found at: <http://www.acenet.edu/news-room/Pages/Transcripts-for-Military-Personnel.aspx>

Credits requesting to be transferred in must at least be equal to those offered at Taylor College.

- The course is not a remedial course.
- The course was not taken to satisfy freshman admission requirements.
- Transcripts will be thoroughly evaluated by both the Academic Dean and the Program Director of the particular program in which you are enrolling.
- Students will receive notification regarding the transfer credit evaluation and which courses were transferred in.
- Courses accepted for transfer-in of credit will be noted on the Official Transcript from Taylor College as TR.

Addendum XI, Effective January 9, 2018, the following has been added to the Guidelines for Readmission and Transferring into another Program, Step 4 – Complete the current Application Process prior to program application deadline.

Five weeks prior to the semester start date. (p. 28)

Addendum XII, Effective January 9, 2018, has been re-appointed as a Foundation Course (p. 51)

NUR 1142 – Pharmacology Principles in Nursing I

3 Credits

Addendum XIII, Effective January 9, 2018, has been re-appointed as a General Education, Natural Science, Course (p. 51)

HUN 2201 – Human Nutrition

3 credits

Addendum XIV, Effective January 10, 2018, the following replaces requests to have directory information withheld with the following (p. 14)

Requests to have directory information about you withheld should be submitted by completing an *Authorization to Withhold Directory Information* form and submitting it to the Registrar’s Office:

Registrar
Taylor College
5190 SE 125th Street, Belleview, FL 34420
Phone 352-245-4119

Addendum XV, Effective January 10, 2018, the following replaces the Tuition and Fees beginning with the Summer 2018 semester, May 7, 2018 (p. 38-39)

Tuition and Fees

Taylor College reserves the right to alter tuition prices at any time.

Cancellation and Refund Policy

Refunds will be made according to Taylor College’s Cancellation and Refund policy for those students who cancel and/or are terminated for any reason. All cancelation requests must be submitted in writing and delivered in person or mailed by certified mail. A full refund will be made for those applicants not accepted by the College or who cancel within three (3) business days after signing the Student Enrollment Agreement. Students who cancel after 3 business days of signing the Student Enrollment Agreement will adhere to the following:

Refunds, when due, must be made without requiring a request from the student.

Refunds, when due shall be made within 30 days (1) of the last day of attendance if written notification of withdrawal has been provided to the institution by the student, or (2) from the date the institution terminates the student or determines withdrawal by the student.

Retention of tuition and fees collected in advance for a student who does not commence class shall not exceed \$100.

Cancellation

Calculation for tuition charged for semester or payment period

Cancellation or withdrawal after attendance has begun, through 20% completion of the semester or payment period, will result in a Pro Rata refund of tuition.

Cancellation after completing more than 20% of the semester or payment period will result in no refund.

Non-credits Courses, Testing or Continuing Education

No refund will be given for continuing education, professional development, non-credit courses, or entrance testing.

Cancellation of a course or program by Taylor College

Individuals are given the option of enrolling in the next available class/ program or a full refund.

Addendum XVI, Effective February 12, 2018, the following replaces the course description for the following updating the prerequisite and concurrent with information (p. 51)

NUR 1020C – Fundamentals of Nursing

6 credits

This course provides a foundation for the nursing program. It introduces the student to the history and practice of nursing, including the standards of nursing practice. The nursing process is introduced and used as an approach to nursing care with emphasis on assessment of basic human needs relating to oxygenation, nutrition, elimination, comfort and safety, security, and mobility. Critical thinking as embodied in the nursing process is emphasized and the concept of the nurse as a provider of care, manager of care and member of the nursing profession is incorporated in to the course content. Theoretical knowledge and principles are applied in the skills laboratory and clinical setting. Normal functional health patterns are explored in the context of the physical, biological, and social sciences. Prerequisite(s): BSC 1085C, BSC 1086C, PSY 1012, ENC 1101; Concurrent with: NUR 1142 and PHI 2601

Lecture Hours: 45, Lab Hours: 30, Clinical Hours: 90

Addendum XVII, Effective March 8, 2018, the following replaces the Distance Education description of Class Meetings (p. 19)

Class Meetings

Students will be required to attend three class meetings on campus for each online class, therefore, Florida residency is required. Students are required to attend the first day of class, during mid-terms and to take their final exam. Science classes will include on campus labs which are required. Additional class meetings may be added at the discretion of the Instructor.

Addendum XVIII, Effective March 8, 2018, the following replaces the Mission Statement (p. 1)

Mission Statement

It is the mission of Taylor College to provide the opportunity for students to obtain the knowledge, clinical skills, and professional behaviors to be productive citizens in the community. Our college embraces partnerships with students, businesses, and the communities we serve. The mission is supported by the following objectives that define the institution's purpose for existence:

- To serve the student by providing quality education by qualified and licensed instructors that have worked in the field of study and can bring real life experiences to the student.
- To serve employers by offering programs that will produce graduates that will provide qualified professionals to fill the employment needs of the vast and growing healthcare field.
- To serve the community by requiring students to participate in community service activities during their enrollment and foster involvement in the community after the student has graduated.
- To encourage everyone on campus to be enthusiastic about learning, planning for a

successful career in healthcare and being excited about being a part of our team.

Addendum XIV, Effective March 29, 2018, the following replaces Clinical Site Requirements/Considerations (p. 18)

Clinical Site Requirements/Considerations

- Level II Criminal Background checks are required at various stages of the program and are at the student's expense.
- **10 panel drug testing is required before any clinical** and are at the discretion of the supervised practice site, and is at the student's expense.
- Physical Exam at the student's expense
- Travel to and from supervised sites is at the student's expense.

Students enrolled into programs that require clinical rotation experience will be required to travel to a clinical site which may be located in Marion or surrounding counties. Clinical locations will vary and some may be a significant distance from the College campus. Students are responsible for their own transportation to and from the clinical sites.

Clinical affiliations may at their discretion request a drug screen from students prior to or during clinical rotation, students must comply with this request to successfully complete the assigned clinical rotation experience and satisfy the requirements of the program. Students who refuse a drug test when requested by the college or a clinical facility may be dismissed from the program for refusal. If requested to take a drug test, it must be completed within twenty- four hours. Students may be required to complete an additional level II background check **prior to participating in the clinical experience**. All required background checks and drug screening will be conducted at the student's expense.

▪ **Student Immunization**

As part of the admission requirements, students are required to submit documentation showing that the student's immunizations are up-to-date. Required immunizations include: Tuberculosis, Hepatitis B, Measles/Mumps/Rubella, Tetanus/Diphtheria and Varicella. **Verification of Flu vaccinations may be required and documentation must be given to the Registrar's office prior to attending any nursing program clinical schedule. Failure to do so will prevent a student from attending and will result in an absence for each day missed.**

▪ **Verification of Health Insurance**

An assigned clinical site may require the student to provide verification of health insurance. If a student cannot or refuses to submit a verification of health insurance to an assigned clinical site, the student may not attend the clinical site, will be marked absent. In this situation, Taylor College is not responsible for seeking an alternate clinical site and you may be prevented from completing your program/course.

Addendum XX, Effective March 29, 2018, the following statement has been added to Associate Degree Programs (p. 29) and Diploma Programs (p. 31)

Associate Degree Programs

Limited Access Program – Program admission and course registration is limited to a certain number of students meeting predetermined criteria by licensing, accrediting or institutional requirements.

Diploma Programs

Limited Access Program – Program admission and course registration is limited to a certain number of students meeting predetermined criteria by licensing, accrediting or institutional requirements.

Addendum XXI, Effective March 29, 2018, the following replaces the Admissions Requirement for the Physical Therapist Assistant program. (p. 30)

Physical Therapist Assistant

1. Complete Admissions Testing - Complete the Wonderlic SLE exam with minimum passing score of 20
2. Appointment with an Admissions Representative to Submit Admission Requirements

Checklist for Completion of Admission Requirements:

- Completed Enrollment Application
- Copy of Driver's License (at least 18 years old)
- Copy of Social Security Card
- Official High School Transcripts and/or Official GED Transcripts
 - o SAT/ACT Scores
- Official Transcripts from all prior colleges/universities attended (if applicable)
- Submit 2 Official Reference Questionnaires (two professional references, such as past employer, academic, etc., reference cannot be related to you).
- ** Complete **8** Documented observation hours in a Physical Therapy Setting
- One Typed Essay; Essay topics will vary per student
- Signed and Completed Immunization* Health History Form
- Level II Criminal Background check* (must be valid upon start date of the program)

Acceptance Criteria:

- High School transcripts - English, Math, Science, and Social Study courses with a cumulative grade point average(CGPA) 2.5 or higher preferred
- GED score of 165 or higher preferred
- College Transcripts CGPA 2.5 or higher preferred

***SPECIAL NOTE:** Any person wishing to apply to this program that has been arrested or convicted of any offense other than a minor traffic violation should refer to the Florida Statutes, Chapter 456, regarding licensure.

Tuition, fees, and financial information is available in the Tuition, Fee, and other cost section of the catalog.

Addendum XXII, Effective March 29, 2018, the following addition of an application fee replaces the Tuition and Fees beginning with the Fall 2018 semester, September 4, 2018 (p. 38-39)

Licensed Practical Nurse to Associate Degree Nurse Bridge

72 Credit Hours

Associate of Science Degree

(A limited Access Program)

Program Description

The purpose of the program, which is an entry option for the Professional Nursing program, is to provide the Licensed Practical Nurse with the additional knowledge, clinical skills, nursing values and experience necessary for an entry-level professional nursing position. Graduates of this program are qualified to apply to take the National Council Licensure Examination for Registered Nurses (in accordance with the regulations set forth in the Nurse Practice Act, Chapter 464.008 and 464.018) to become licensed as a Registered Nurse.

Standard Program Length 5 Semesters, 20 months **Program Delivery:** Residential (in-class) and Hybrid (Blended On-line Distance Education)

Enrollment Status: Full-Time

Physical Therapist Assistant

72 Credit Hours

Associate of Science Degree

(A limited Access Program)

Program Description

The Physical Therapist Assistant (PTA) Program at Taylor College will train students to acquire the knowledge, clinical competency, and integrity to positively impact their patients and their profession. The 72 credits curriculum includes general education and technical physical therapist assistant courses as well as practical clinical experience. Upon successful completion of the program, the graduate will be eligible to apply to take the National Physical Therapy Examination for the Physical Therapist Assistant (in accordance with the regulations set forth in the Florida Board of Physical Therapy Practice Act, Chapter 486.102 and Chapter 64B17-3) to become licensed as a Physical Therapist Assistant.

Physical Therapist Assistants function as members of the health care team providing patient care under the direction and supervision of a licensed Physical Therapist. They provide treatment to patients with various diagnoses to relieve pain and/or improve function. PTAs work in a variety of settings including hospitals, private practices, rehabilitation centers, school systems, sports teams, home health agencies, skilled nursing facilities, and other qualified facilities.

Practical Nursing

51 Credit Hours

Diploma program

(A limited Access Program)

Program Description

The Practical Nursing Program is designed to prepare the student for entry-level employment as a Licensed Practical Nurse by providing the theoretical knowledge and clinical competence to obtain licensure. The entire program is delivered over three 15 week semesters.

This program has received approval from the Florida Board of Nursing and graduates of this program are eligible to apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Licensure is required for employment as a Licensed Practical Nurse.

Standard Length of Program 4 Semesters, 16 months **Program Delivery:** Residential (in-class) and Hybrid (Blended On-line Distance Education)

Recommended Course Sequence is listed below:

Practical Nursing						
Course Code	Delivery Mode	Course Title	Credits	Lecture	Lab	Clinical
BSC1085C	Hybrid/Online	Human Anatomy and Physiology I	4	45	30	
HUN2201	Hybrid/Online	Human Nutrition	3	45

PN1116	On-campus	Introduction to Mental Health Nursing	4	45		45
PN1117	On-campus	Medical Surgical II	5	45		90
Total Program Credits			51	585	120	360

Addendum XXIV, Effective March 29, 2018, the following replaces the Requirement for Graduation and includes the addition of Credentialing Requirements (p. 18)

Requirements for Graduation

Students should make themselves aware of the graduation requirements:

- Completion of program curriculum.
- Achieve a Cumulative Grade Point Average (CPGA) of 2.5
- Fulfill all financial obligations to the college
- Professional Nursing and Practical Nursing Programs - Must achieve a 92% on Assessment Technologies Institute, ATI Comprehensive Predictor

Credentialing Requirements

The number one priority of our nursing program is to guide our graduates to becoming licensed professional or practical nurses. Studies have shown that graduates who sit for the NCLEX exam within six (6) months of graduation are more likely to pass. Students who take a preparatory course also are more likely to succeed because they are accustomed to the conditions of testing. Therefore, all Taylor College nursing graduates are required to complete the Virtual Assessment Technology Institute, VATI, and receive the VATI "Green Light" prior to being submitted to the Board of Nursing. A graduate who has not achieved Green Light 6 months following graduation will, in addition to achieving Green Light, need to provide proof of completion of a remedial course offered by the National Council on State Board of Nursing, NCSBN, or applicable Taylor College approved remedial course prior to having their names submitted to the Board.
