Tech Advisors Named to Boston Business Journal 2015 “Pacesetters” List

5/3/15

Tech Advisors (www.tech-adv.com), a leading technology solution provider to the CPA field as well as other industries, has been named to the Boston Business Journal's “**Pacesetters**” list for 2015.

The Pacesetters list designates the region's 70 fastest-growing privately-held businesses, based on research conducted by the Boston Business Journal. The companies included were selected based on their strong growth over the last four years.

Boston Business Journal publisher **Gale Murray** and editors **Douglas Banks** and **Craig Douglas** describe the list as one which offers “an excellent snapshot of the businesses and entrepreneurs who drive the Massachusetts economy.” The 70 business owners who qualified for the list were honored at an April 16 event held at the Weston Copley in Boston. Tech Advisors was represented at the ceremony by company principal **Konrad Martin** and his twin brother **Kevin**, also a principal at the firm, along with Office Manager **Allison Crews**.

The Pacesetters list appeared in the April 17th edition of the Boston Business Journal.

“It’s a great honor to be included on the BBJ Pacesetters list,” said Martin. “This is our first year on it and we hope to make it an annual occurrence. Our growth over the past several years has been remarkable thanks to a talented and dedicated team of professionals and a consistently expanding client base who appreciate the full range of services we offer.”
