### **360IT PARTNERS Announced a Document Management & Workflow Solution Offered as a New Service**

Virginia Beach, VA, March 28, 2013 – 360IT PARTNERS (360IT), one of Hampton Roads, Virginia's leading information technology firms announced that they are now offering a Document Management and Workflow Solution to new and existing clients.

This highly flexible technology allows a business to digitize and organize current paper documents, to capture documents that are already digital and store them in one repository, and to allow users different levels of security access to edit and distribute particular documents. The solution that 360IT PARTNERS offers is a browser-based program for remote access from any approved web browser.

“While there are a variety of reasons that a company needs a Document Management & Workflow Solution, we very often hear that a company is overwhelmed with the organization, storage, and management of paper documents,” said president Martin Joseph. “Our solution offers the ability to digitize and automate how a business deals with paper and increase office productivity.”

*360IT PARTNERS, based in Virginia Beach, VA, is dedicated to being an Information Technology partner to their clients.
