## **Policies and Procedures**

### **Academic Practices and Recognition**

#### **Report Cards and Interim Reports**

Evaluation of student progress (Grades 1-8) will be provided by electronic interim reports available through RenWeb at the midway point of each academic term, and through report cards sent home at the end of each academic term. K3-K5 student progress reports will be sent home in December and May.

#### **Grading scale:**

#### **Grades 1 – 8**

A+	99 – 100	C+	78 – 79
A	94 – 98	C	74 – 77
A-	90 – 93	C-	70 – 73
B+	88 – 89	D+	68 – 69
B	84 – 87	D	64 – 67
B-	80 – 83	D-	60 – 63
		F	59 – 0

A final grade of 60 or above is considered passing for all subjects.

#### **Cheating and Plagiarism**

Cheating and plagiarism are unacceptable. Please refer to Student Code of Conduct for specific school policy on this.

#### **Homework Guidelines**

Current research indicates that children in elementary and middle school grades do NOT benefit from traditional forms of homework. This is especially true in the younger grades. Based on research GCS teachers are committed to providing quality opportunities for students to engage in quality learning applications to reinforce and practice instruction provided at school. Students will be expected to study for upcoming tests, complete projects that align to the curriculum, and read for an extended amount of time each night. Recognizing that the needs of younger students are different from the needs of our older students, we differentiate the expectations and guidelines.

#### **K-5 Guidelines for Home:**

- Students need a quiet place to study.
- Students should be held accountable for completing assignments.
- Students will be required to read for an extended amount of time each night. The amount of time is left to the discretion of the teacher and based on the needs of students.
- Parents should check child's work or help him/her study/read.

- No weekend homework will be assigned.
- No homework will be assigned over holidays, with the exception of special projects that may have been assigned some time before the holiday break.
- No testing will be administered on the first day back from any holiday break.

### **MS Guidelines for Home**

- Students need a quiet place to study.
- Students should be held accountable for completing assignments.
- Students are responsible for writing down all HW, projects, quizzes, and tests in their planner.
- 6<sup>th</sup>/7<sup>th</sup> HW, assessments, and assignments will be posted on RenWeb; and any changes will be found in their planner. Teachers may administer pop quizzes which are unannounced.
- All tests will be posted on Renweb a week in advance.
- During the first semester 6<sup>th</sup> grade will not have more than one test on a day. This does NOT include quizzes.
- In preparation for high school, 8<sup>th</sup> grade students are responsible for using their planners for all assignments. Although tests and major projects will be posted on RenWeb, parents should help their child develop organizational skills by encouraging them to be accountable for their work and test preparations.

### **Honors Recognition**

There are classifications of recognition for work done in the academic field in grades 6-8.

Head of School Honors: Students who earn 98 and above in all graded subjects and exhibit satisfactory conduct school wide.

A Honor Roll: Student who earn 90 or above in all graded subjects.

A-B Honor Roll: Students who earn 80 or above in all graded subjects.

### **Duke Talent Identification Program**

Grace Christian School students participate in the Duke Talent Identification Program, which attempts to identify gifted students at an early age. Seventh grade students with high standardized test scores (95% or above) are invited to take the SAT or ACT. These tests are typically given the last two years of high school.

### **Regional, State and National Competitions**

All middle school students are required to complete a Science Fair project. These projects are then judged on the local level, with many students going on to compete in regional and state competitions.

### **President's Award for Academic Excellence**

The national President's Award for Academic Excellence is awarded to students in both the 5<sup>th</sup> and the 8<sup>th</sup> grade. To receive this award, students must score an 85% or above on a standardized test in math or reading and have maintained a 3.5 GPA or above throughout their career. This GPA is calculated by receiving a 90 on a 100 percent grading scale in 4<sup>th</sup> grade and 5<sup>th</sup> grade 1<sup>st</sup> semester/7<sup>th</sup> grade and 8<sup>th</sup> grade 1<sup>st</sup> semester.

## **Standardized Testing**

GCS administers the TerraNova to all first through eighth grade students. This test is administered in the spring of every academic year and results are available during the summer. Conferencing about these tests may be scheduled during the summer months, with the Assistant Head of School or Head of School

## **Attendance**

Regular and punctual attendance of all classes is required in compliance with Florida statutes. Students must be in attendance 165 days or the student will be in jeopardy of being retained for non-attendance. The most optimal learning environment is for all students to come to class prepared and that includes students who are returning from absences. Parents must provide the school with a note explaining the absence within three school days of when the student returns. Failure to provide a note concerning an absence will result in the absence being classified as unexcused. At the end of the school year an attendance award will be given to children that have had no more than three absences or tardies.

## **Absences**

- One make-up day is allowed for each day's absence. For example, if your child is absent for four days, make-up work must be completed in four days after his/her return. All work must be completed within 5 school days. An F will result if the student fails to take a test in a timely manner.
- For absences other than emergency or illness, the teacher must be given advanced notice for assignments and homework. **Teachers MAY NOT be able to give assignments for days or weeks ahead of time—in which case, the student will be responsible for obtaining the work when he/she returns to class.**
- Students may access homework by logging onto the parent portal of RenWeb and check for upcoming assignments. If you do not have internet access, call the office before 10:00 am. Every effort will be made to have books and assignments ready in the office for pick up at dismissal around 2:45 pm.
- Students have 178 days to obtain an entire grade level's worth of material. Each day a child is absent, he/she is missing an opportunity to spend quality time with the content matter. Please make every effort to plan trips around the school calendar to maximize your child's exposure to the curriculum. Excessive absences may exclude your child from future attendance at Grace Christian School.

## **Excused and Unexcused Absences**

- The following ARE considered "Excused Absences" and require documentation
  - Illness (Note from parent and if excessive from doctor)
  - Medical appointments (Note from doctor)
  - Death in the immediate family (Note from parent)
  - Some religious holidays (Note from parent)
- Students with excused absences are permitted to make-up their missing work. All other absences for personal business, transportation problems, family trips, youth group activities, oversleeping, etc. are unexcused and make-up work will be permitted if absences are not habitual.

## **Signing In and Out**

- Students may not leave school without permission. Doing so is considered a major infraction and will result in a disciplinary action.
- Medical appointments should be scheduled outside school hours, if possible. In some cases this is unavoidable and appointments are scheduled during school hours. In order to excuse the appointment students must bring a note from the doctor. Failure to turn in a doctor's note may result in an unexcused check out.
- All students leaving or returning to school during the day must be signed in and out by their parent/guardian in the main school office.

## **Tardy Policy**

- All students arrive in their classrooms between 7:30 – 7:45 am.
- All teachers are in their classrooms at 7:30 am to supervise students as they arrive.
- Middle school students are considered tardy after 7:45. Middle school teachers will take attendance at 7:46, before leaving for courtyard. If a student is not in their homeroom by this time, that student will be considered tardy. A staff member will be at the entrance of the school to hand out tardy slips to any middle school student at 7:46.
- All other students are considered tardy after 7:50 am and will receive a tardy slip from the staff member on duty.
- Students arriving after Courtyard or Church Service must report to the office to receive a tardy slip prior to going to their classrooms.
- Getting your child to school on time establishes life-long habits of the student. Interruptions by late students are frustrating to both the students and the teachers.
- Middle school students with three tardies (five tardies for K-5) in a marking period will receive a consequence at the discretion of administration (such as lunch detention, afterschool detention, loss of privilege). Parents of students with excessive tardies may also be required to meet with an administrator.

## **Character and Physical Development**

### **Citizenship**

The National Citizenship award is given to two students in each grade 1<sup>st</sup> – 8<sup>th</sup>. The award is given by the National Association of Lower School Principals and the National Association of Secondary School Principals. All middle school teachers vote to select the students in each grade who will receive the award. The students with the majority of votes receive the award. They use the following criteria stated by the NAESP and NASSP:

- Participation in school community service
- Shown a positive attitude toward classmate, school, and community
- Displayed an outstanding and appreciation of civic responsibility
- Possessed strength of character and the courage to do what is right
- Promoted citizenship within the school community

### **Crusader Spirit Award**

In eighth grade the coveted Crusader Spirit Award is given to two students who best exemplify the spirit of Grace School. Selection is made by the majority of votes of all middle school teachers. The award is presented at the graduation ceremony.

### **Fitness Award**

Students receive the National Fitness Award and the Presidential Fitness Award. The criterion for this award is set by President's Council on Physical Fitness.

### **Light of Christ**

Each quarter two students from each grade 6-8 receive the Light of Christ award. This honor is given to students who exhibit Christ-like behavior towards other students, teachers, staff, and community. These students shine the light of Christ to all around them.

## **Communication**

### **Media Consent**

A major part of our program involves Internet use and photography. Occasionally the media will be on campus taking pictures of students and their activities for publicity and marketing purposes. We require parents to sign the Grace Christian School "Public Release Form" and the Grace Christian School "Acceptable Use Policy Form" giving their child/ren permission to be photographed (including yearbook pictures) and use the Internet. These forms are included in the registration packet and need to be signed and returned to the school office at the time of registration. If you did not receive these forms, please pick up forms to fill out on "Meet your Teacher" Day.

### **Parent Conferences and Communication**

The parent or the teacher may request Parent/school conferences. Parents and teachers will meet periodically throughout the school year to discuss student progress. Parents in need of additional time should contact the teachers through the school office or e-mail, which can be found at the end of this booklet and on the GCS website [www.gcsocala.com](http://www.gcsocala.com)

### **Electronic and Written Communication**

Each elementary child is assigned a "Friday Folder." Please check this for regular communication from the school, teachers and school organizations. In addition, Grace Christian School will distribute electronically our quarterly newsletter and Friday FAST FACTS. The newsletter contains articles about classroom, school-wide events, and church activities. The Friday FAST FACTS provides the highlights about upcoming events and other pertinent information.

### **Website**

We maintain a website at [gcsocala.com](http://gcsocala.com). The website provides basic information such as general school calendar, information on basic programs, school newsletters, lunch orders and staff information including email addresses. Homework may be found on RenWeb.

## Conduct

### **Grace Christian School “Crusader” Code of Conduct**

The “Crusader” spirit is the way we live at Grace Christian School. As true “Crusaders” we share Christ’s love and spirit in all we do. The Code of Student Conduct for all students at Grace Christian School frames our mission to prepare our children for life, and to honor and glorify God in a Christ-centered environment of academic excellence. It is our purpose to encourage our students to be responsible, respectful, kind, and accountable to one another.

### **Purpose of Conduct**

- To achieve Christian attitudes of respect, love, and responsibility for self, others, and the greater community.
- To provide a classroom environment conducive to learning for all students by practicing self-control and developing maturity.

### **Student-Teacher-Parent**

We believe that behavior of students is a maturing process in which the students will take increasing responsibility for their own conduct. However, we understand that this process involves parents, teachers, and students. Therefore, Grace Christian School administration, teachers, and staff are committed to helping students develop academic and socially appropriate behavior in a positive, caring, safe, and orderly school climate. Teachers will maintain open communication with parents regarding student conduct and inform them of recurrent problems by means of a telephone call, written note and/or conference.

### **Norms for All Students**

- Students will be respectful to teachers, staff, coaches, administration, clergy and students, in language, actions, and attitude.
- Students will be respectful of the property of Grace Christian School as well as fellow student’s property.
- Students will be prompt and prepared for class including homework, books and supplies.
- Students will follow classroom rules and policies of GCS.
- Students will wear proper uniforms and present neat appearance.

### **Infractions/Rules**

These rules apply to all students in K3 through 8<sup>th</sup> grade. Students committing infractions are disciplined according to the severity of the rule being violated and the number of times a student repeats the infraction. Unacceptable behavior may be dealt with by suspension, expulsion or alternative educational opportunities. Students are expected to follow the code of conduct at all school sponsored events including those off campus and while representing the school (i.e., sporting events and field trips).

The following infractions constitute offenses for which students are strictly accountable:

Bringing/using non-school related items	Profane or obscene language or materials
Misuse of cell phones	Stealing
False fire alarm	Threats
Classroom disruption	Intimidation
Disrespect and unkindness to others	Unauthorized absence from school or class
Gum chewing, food at times other than lunch or designated times	Disorderly conduct

Plagiarism/Forgery/Cheating	Fighting
Violation of dress code	Misbehavior on school trips or related functions
Drugs/Alcohol	Harassment/Sexual harassment
Breaking and entering	Unauthorized use of internet

### **Procedures for handling conduct problems**

Students must learn that choices have consequences and we are responsible for our choices. Disciplinary action is designed not only to correct conduct but also to encourage and motivate students to become responsible citizens of the school community. Teachers and administrators use their professional judgment to determine appropriate action based on seriousness and frequency of the offense, student age, ability and functional level, attitude, intent of the student, and the effect on the school environment. Each student will be dealt with on an individual basis in communication with the parent(s). The teacher is expected to maintain proper discipline with all students at all times. Anecdotal records will be kept by the teacher on serious problems which are referred to an administrator.

If a student makes a choice that violates school or classroom rules one or more of the following actions will be taken as a result of an infraction of the rules:

- Warning
- Incentive
- One-on-one conference with student
- Move student's seat
- Loss of privileges
- Logical consequences (i.e., making a mess at the lunch tables=cleaning tables, damaging property-making restitution for damage)
- Parent notification
- Temporary removal from setting – Time out in class
- Student behavior contract
- Note home
- Action plan with parent and student
- Silent lunch detention
- Parent / Teacher conference
- Temporary removal from school related activities or programs
- Required counseling (out of school)
- Community service (to Grace School)
- After school detention
- Saturday detention or work detail
- In-school suspension
- Out-of-school suspension
- Student placed on probation
- Immediate removal from school
- Expulsion

## **Suspension and Expulsion**

- **Suspension** is considered a severe action and, therefore, is not taken lightly. Its intent is to aid parent and child to work together to arrive at the best solution to the problem. Only the administration is authorized to suspend students.
  - **In-School Suspension (ISS)**
    - The student is allowed to attend school, but is isolated from their classmates. Time will be devoted to assigned class work and to working out the problem that caused the suspension. Assignments may be graded with limited points.
  - **Out-of-School Suspension (OSS)**
    - A grade of zero may be recorded in every class a student misses while suspended. The student may be given an opportunity to make-up missed assignments for a reduced grade at the discretion of the administrator. Any assignments made prior to the suspension and that becomes due during the suspended period will be accepted, but will be treated as any late assignment with penalty points being deducted.
- **Expulsion** is the most severe action taken by the school. It is the permanent dismissal of the student from the school.
  - In the event that expulsion is decided, the student will be removed from school immediately.
  - The Head of School will notify the Board of Trustees of the decision and will provide documentation to support the decision, including but not limited to the Disciplinary Notice and a record of past disciplinary actions.

## **Grace Christian School Policies**

Grace Christian School is dedicated to fostering an environment that promotes kindness, self-control, acceptance, and embraces differences among individuals. This policy supports the school's mission statement. Students are entitled to a safe and healthy learning environment. Students are expected to follow and practice the principles of truth and honesty in all academic endeavors. Therefore, academic dishonesty will not be tolerated. It is the student's responsibility to make sure all work turned in is his/ her own work and reflects the student's true ability.

### **Cheating**

Cheating is an offense that must be dealt with firmly to establish a code of honor among students. The offense of cheating takes many forms and as a result, teachers must have a variety of strategies to deal with cheating. For the purpose of this policy, cheating will be defined as the willful or deliberate unauthorized use of the work of another person for academic purposes.

---

<sup>1</sup> Reporting an act of bullying or harassment that is not made in good faith is considered retaliation.

In the event of a student continuing with the behavior, major consequences will apply, including but not limited to, removal from leadership positions (e.g., Student Council, NJHS).

## **Emergency Procedures**

### **Fire Drill**

During the school year, we are required by law to conduct regular, unannounced fire drills. These drills allow our students and faculty to practice evacuating their classrooms quickly and orderly. Each teacher will instruct his or her class in proper fire escape procedures as follows:

- Maps instructing students where to go in the event of an emergency that necessitates evacuating the classes are displayed in every classroom.
- Students will exit the classroom in an orderly, single file line.
- Teachers will take their record book and will take roll once their class has reached the designated area.
- Teachers will be the last to exit the classroom, closing all doors and windows.
- Students will be kept in class groups and will not be permitted to wander.
- Should there be an incident requiring parents to pick up children, you will receive a phone call and/or an email.

## **Violent Intruder Procedures**

The safety of our children is one of the highest priorities at Grace. In order to prepare our children for the possibility of a violent intruder, members of the staff have been trained by “SafePlans,” an organization that specializes in “Security Awareness for Educators.” Students will practice lock-down and evacuation drills regularly throughout the school year. In the event that a violent intruder (armed or not) approaches the campus, staff will execute appropriate procedures while continually practicing the OODA Loop, a critical decision making strategy.

- \*OODA Loop:
1. Observe- Become aware of a potentially dangerous situation.
  2. Orient- Understand your options for responding to the situation.
  3. Decide- Based on what you know, decide on best response.
  4. Act- Carry out your decision to the best of your ability.

In the event that the school is evacuated, children will be reunited with families next door at the Sherman Farm. The secondary location is Shady Hills Elementary School. Parents will be notified of the specific location via text, email, and/or phone call. All students will be signed out to a parent or approved guardian to ensure their safety.

Following a threatening incident, students and faculty will have the opportunity to process/debrief the situation with a licensed mental health counselor. The school administration will disseminate information to parents with the guidance of local law enforcement.

**Weather Policy:** Tornado drills are practiced regularly with students in preparation of potential dangerous weather. Every teacher has available instructions relating to the protection and evacuation of students in the event of a weather warning alert:

- If severe weather conditions develop while your child is at school, the school will notify parents using text, email, and/or phone call. Please monitor local weather stations in case the school closes early.
- In the event of early dismissal or school closing, after-school activities will be canceled.
- In the event that school closes early, your child will always be taken care of by faculty and staff until you are able to arrive.
- If Marion County Public Schools close because of weather, GCS will also close. Please stay tuned to the local radio/TV stations for reopening information. We will follow the Marion County Public Schools reopening schedule.

## **Extracurricular and Enrichment**

While extra-curricular activities are an integral part of our program, academics remain the first priority. In order to be eligible to participate in an extra-curricular activity after school, a student must have been present for at least 4 hours of the school day and meet academic and financial requirements.

- All rules stated in the GCS handbook apply for curricular and extra-curricular activities.
- Guests of GCS students at extra-curricular activities are subject to GCS rules and policies.

## **Athletics**

Students who meet the age requirement standard for a particular sport may participate in the athletic program at GCS.

### **Athletic Programs Offered**

- Varsity and JV Volleyball
- Co-Ed Soccer
- Varsity and JV Basketball-Girls & Boys
- Track & Field
- Football
- Pep Squad

### **Facilities**

GCS rents space for most of its athletic competitions. Co-ed soccer and flag football are played at GCS. At the beginning of each season, there will be a parent/coach/student meeting to explain the policies and procedures and the schedule for practices and games with the Athletic Director.

### **Parents Concern**

Parent concerns should be addressed in the following manner:

- Make an appointment with the coach.
- If the coach cannot be reached, call the Athletic Director to set up a meeting.
- Please do not attempt to confront a coach before, during or following a game. These can be busy and emotional times for both the parent and coach, and this period does not promote objective analysis of the situation.
- If the meeting with the coach and/or Athletic Director does not allay your concerns, make an appointment with an administrator to discuss the situation.

### **Policies**

Student athletes at Grace Christian School must meet the following requirements:

- Maintain a 2.0 cumulative GPA. Incoming students are automatically eligible for the first semester.
- Submit a current physical/parent consent forms before participating in a practice.
- All paperwork can be picked up and returned to the Athletic Director prior to each season.
- There is a \$75.00 Sports fee for every student participating in the athletic program. This fee must be paid prior to issuing of uniforms or attendance at practices.
- Uniforms are issued for each sport. At the end of the season, it is the responsibility of the student to return the uniform or receive school debt for not returning the uniform.
- In order to be eligible to participate in a practice or game, an athlete must have been present for at least 4 hours of the school day.

### **Sportsmanship**

Sportsmanship is an important aspect of the GCS athletic program. Student-athletes are expected to display good conduct during practices, games, and in the classroom.

Sportsmanship is also displayed by the fans, families, and spectators at events. Those individuals participating in these roles also bear a responsibility to show good sportsmanship to the referees and the opposing team's players, coaches, and fans.

### **FCA (Fellowship of Christian Athletes)**

Grace Christian School has a chapter of FCA for our Middle School students. The vision for FCA is “to lead kids to a personal relationship with Jesus Christ and to help them be a Christian influence in their schools.”

### **Courtyard**

All Grace Students gather in the courtyard area as a family each morning. It is a time of announcements, special presentations, celebrations of birthdays and achievements, devotion and prayer concerns, the Lord’s Prayer and the pledge to the flag. It is a very special way to begin these days. On Thursdays we celebrate the Fruit of the Spirit Character Education Program.

### **Eighth Grade Play**

In spring the eighth grade class participates in a major dramatic production. Performances are open to the public and have received much acclaim.

### **Field Trips**

The classroom teachers schedule field at various times throughout the school year. These trips enhance and enrich our curriculum. The fee for school field trips is paid by the parent. We also encourage parents to chaperone for these trips. **Siblings are not allowed to attend field trips.**

### **Fruit of the Spirit Character Education Program**

Our character education program is based on the development of the Fruits of the Spirit that are listed in the bible in Galatians 5:22 that include love, joy, peace, patience, kindness, goodness, gentleness, faithfulness, and self-control. In Christian Education classes the various fruits of the spirit are presented, discussed, and taught. Starting the first Thursday in September during Courtyard, “Fruit of the Spirit” awards are presented to one student in each homeroom.

### **Little Buddies**

Seventh and eighth grade students have “Little Buddies” from the K4 and K5 classes. “Little Buddies” have scheduled time to meet in addition to special occasions, such as sitting with buddies at Courtyard.

### **National Junior Honor Society**

- The NJHS is an organization whose purpose is to recognize and encourage academic achievement while developing other characteristics essential to good citizens. To be eligible for membership a student must have completed the third quarter of his/her 6<sup>th</sup>, 7<sup>th</sup> or 8<sup>th</sup> grade. Candidates must have a cumulative Grade Point Average of 3.5 or above. Students who meet this criterion will then be evaluated in the areas of character, leadership, service, and citizenship. The selection of each member shall be by the majority votes of the faculty council. The faculty council is composed of middle school teachers.
- Students who have the required GPA by the end of the first quarter of the academic year will receive a letter notifying them of their pre-eligibility and inviting them to meet with the chapter advisor. This notification is not an invitation for membership. At the time of the meeting the student and parent will be notified if there is a problem in one or more of the areas of character, leadership, citizenship, and service. The student will have 16 weeks (end of third quarter) to improve in the area of weakness.

- At the end of the third quarter, students who meet the academic criteria and wish to become members of NJHS will complete an application and an essay which addresses the following points: 1) personal leadership 2) character 3) service 4) citizenship and 5) how the student's membership will benefit the chapter and the school.
- Students must return their completed application to be considered for membership to the NJHS Grace School Chapter. Students who choose not to return their application and essays will not be considered for membership. The faculty council will meet to evaluate and discuss the application and essays and will cast their vote. The decision of the faculty council will be final.

## **Parties**

- **Class Parties:** Academics are of utmost importance and maintaining that focus is vital to our students' academic growth. Additionally, celebrating important holidays as a family helps our children socially and builds community. Therefore the school allows two class parties to celebrate Christmas and the end of the year. These parties are planned by the teacher and homeroom parent.
- **Holidays:** As a Christian school it is important to emphasize the importance of Christ in our religious celebrations. At Christmas we focus on the Holy Family and the birth of Jesus rather than Santa Claus, elves, and reindeer. At Easter we focus on the death and resurrection of Jesus rather than the Easter bunny and chocolate eggs. In addition, we do not celebrate Halloween; rather students learn the religious and cultural significance of Dia De Los Muertos in Spanish Class.
- **Birthdays:** In an effort to keep distractions to a minimum and to keep students with allergies safe, all students (K-5) are NOT permitted to celebrate birthdays by sharing food while at school. Your child's teacher (K-5) will send home a "birthday bag" for you to provide a special treat for **your child** on their birthday. The child is made to feel special with the birthday song, special privileges in class, and acknowledgement from their class community.  
Party invitations for all grades may **NOT** be distributed on campus **UNLESS** the entire class is invited. Similarly, we request that you do not pick up specific groups of children from school to attend parties.

## **Religious Program/ School Eucharist**

Lower, elementary and middle school students attend Christian Education classes each week. At Grace Christian School religion is not treated as something separate or different. The Lord's presence is welcomed at GCS and prayer is an important part of our daily life. The "religious moment" at Grace Christian School occurs as we live with children hour-by-hour and day-by-day, growing together in the knowledge that the Lord loves and cares for each of us. The classroom teachers often lead the students in spontaneous prayers as well as leading the blessing before snack and lunch.

Each Wednesday the school gathers in the courtyard area to celebrate the Eucharist. The Rector of Christ the King Church delivers the message and Grace Christian School music teachers and students lead the school in musical praise. The middle school students serve as acolytes, readers and are given opportunity to be part of the Praise Band when offered. All students attend the worship service. We welcome all who are baptized to receive communion. Those children not receiving will go to the altar for a blessing. Parents, family, and friends are welcomed to join us during this celebration.

### **Safety Patrol Program**

Students in 4<sup>th</sup> and 5<sup>th</sup> grades have the opportunity to serve on Safety Patrol. One of their jobs is to direct cars to pull up to the designated spaces. Also, Safety patrollers help fellow students get themselves and their belongings safely in or out of the car. Being part of Safety Patrol develops responsibility, citizenship, and leadership skills. Fifth grade patrollers are eligible for the Washington, D.C. trip.

### **Student Council**

Homeroom representatives and officers elected from the middle school serve on the Student Council. Their service projects focus on the school community as well as serving the larger local community.

## **Financial Information and Ways to Support Grace School**

### **Tuition**

Grace Christian School partners with FACTS Management Company to help manage tuition and fees. FACTS is used by many schools locally and over 6,500 schools nationally.

FACTS provides:

- **Payment Flexibility:** Each month an automatic payment will be made from your choice of checking, savings, or credit cards. Each payment that does not clear will be charged an NSF fee of \$30 to FACTS.
- **Convenience & Security:** Your payments are processed securely through a bank-to-bank transaction.
- **Peace of Mind Insurance:** FACTS offers this optional benefit for only \$14 per year per family. In the event of death of the Responsible Party or spouse, the remaining tuition balance owed for the current school year is paid to the school.
- **Consumer Account:** You may check your personal account or make payments online from the convenience of your home or office anytime.

ALL PARENTS must register on FACTS. The fee for this system is covered by the registration fee. This system will also be used for aftercare/extended care, field trips, yearbook, sports, and other miscellaneous fees and invoices throughout the year.

Go to our school website: [gcsocala.com](http://gcsocala.com), click the admissions tab, scroll to the bottom of the page and click the **FACTS** link to create a customer profile and set up your payment plan.

### **Financial Assistance**

- **GCS Financial Aid:** Grace Christian School has limited financial aid funds available to families who qualify. FACTS is used to establish financial eligibility for the Grace Christian School Financial Aid Awards. It is the responsibility of the parent to complete the online application. The business office has additional information if needed.
- **SUFS:** Parents who qualify for Step Up For Students (SUFS) will need to go online, fill out the application and submit all paperwork directly with SUFS. If you are awarded SUFS funding, then you will need to bring the qualification letter to the Grace Christian School Business Office.

- **McKay:** Grace Christian School accepts a limited number of McKay Scholarships. We will only accept McKay Scholarship students if we are able to meet his or her educational needs.

### **Annual Giving**

Annual giving is a vital part of private education. Your gift to the Annual Fund provides new programming, computers, library enhancement and competitive salaries and benefits for teachers. Your gift is also tax deductible. GCS relies on the loyalty and generosity of parents, grandparents, alumni, parents of alumni, and friends to continue the long tradition of outstanding education in a warm, safe, and caring Christian atmosphere. Parents will be notified of the Annual Giving campaign by mail and GCS will sincerely appreciate full participation.

### **Grace United**

Grace United is an organization of the school's parents. It sponsors all school activity days and supports the school tremendously in fund raising efforts. More importantly, Grace United is a parent support group, acting as a liaison with the school, supporting new parents, offering prayer reflections, and a variety of other activities to bring Grace families together. All parents are encouraged to participate and support Grace United.
