

GROWING WITH GRACE
CAPITAL CAMPAIGN
SOUTH BUILDING, ANDERSEN CAMPUS

GRACE CHRISTIAN SCHOOL PREPARES OUR CHILDREN FOR LIFE TO HONOR AND GLORIFY
GOD IN A CHRIST-CENTERED ENVIRONMENT OF ACADEMIC EXCELLENCE.

Dear Friends of Grace,

We are excited to share with you our plans for our addition of the South Building. Grace Christian School throughout the last 60 years has experienced strong student enrollment and this, combined with the goal of continuously improving student learning, has focused emphasis on our capital campaign *GROWING WITH GRACE*.

Our goal is to create new technology-infused classroom space, a multi-use gymnasium, library and fine arts performance areas. Grace Christian School has been preparing our children to become responsible and productive citizens who are equipped for the globally competitive market and have a deep commitment to Christ and service for the greater community.

Our teachers and staff provide a safe and nurturing environment where they have the honor of shaping the hearts and minds of our children. The South Building expansion will enable us to grow in numbers so that more families have the opportunity to receive a rigorous education in a Christ-centered environment.

We thank you for your consideration and hope you will join this crusade with us as we plan for the next 60 years.

Peace and Blessings,
