

## To celebrate their 25<sup>th</sup> Anniversary ITS offers a 100% Satisfaction Guarantee!

When you partner with ITS you not only get feature rich VoIP and IT solutions you also get a **100% Satisfaction Guarantee – No Questions Asked**

If, for any reason, within the first 90-days you are not completely satisfied with our hosted VoIP or Managed IT solution, you can cancel service with no cost to you.

This 100% Satisfaction Guarantee shows our commitment to you. At ITS we understand that changing phone systems or IT service providers is a major decision for any company and this guarantee is our way of expressing our confidence in our products and the service our team provides.

### **ITS is committed to individual support for each and every client.**

Partnering with ITS is truly like having your own in house support department – only better! At ITS you are not just a number, we place a high value on our relationship and demonstrate that with the individualized support provided by a team that is familiar with your company. You won't get lost in an array of automated options when you call, you will speak with a live specialist who knows your company and has expertise to support you.

So call ITS today and experience the difference partnering with a relationship focused company can make.
