

Promotional Emails

\$100 per mailing

Solves the problem:

"I'm not getting enough leads."

Launching a new product or announcing a new service? Hosting an event? Want to remind your subscribers about how awesome you are? Let us write, design, code, and deploy a promotional email for your audience. Along with the creative, we'll manage the entire process, from design to deployment, including unlimited number of revisions and post-email reporting.

What's Included

- ✓ Mobile-friendly email design and setup
- ✓ Design and copywriting based on your specs, including subject line and calls to action
- ✓ A/B testing
- ✓ Testing on various email platforms
- ✓ Detailed email performance report
- ✓ Deployment for up to 1,000 addresses

Top Benefits

- ★ Communicate more effectively with your audience
- ★ Increase awareness with your prospects
- ★ Generate more revenue from existing customers
