

## Environmental Specialists for the Construction Industry

GEMS is the **ONE CALL Environmental Solutions Provider** who manages all the environmental components of your construction project. Whether planned or in the event of an emergency, GEMS oversees the environmental team of specialists required to meet ALL the project components. Providing the client with ONE POINT OF CONTACT, GEMS manages the team to ensure timelines, budgets & environmental legislation are met.

### It takes time to get a permit. PLAN AHEAD.

Let GEMS apply for your permit in advance to keep you working on time, on budget and in compliance.

### De-fishing/Fish Removal & Relocation

Whether Planned or **Emergency**

Let **GEMS** help you:

- Attain all environmental permits
- Perform de-fishing / fish removal & relocation for creeks, stormwater management (SWM) ponds, etc.
  - ✓ Electrofishing certified
  - ✓ Seine netting
  - ✓ Boat defishing

### DID YOU KNOW?

There are different in water works timing windows for each area in Ontario - North, East, South, West, Central.

When in doubt, ask GEMS for your timing window restrictions.

*\*\* GEMS is RAQS Certified as a Fisheries Assessment and Contract Specialist*
